

Survive, Revive & Thrive Transformational Change Management Experts

- Prompta empowers companies to *survive and thrive* during times of complex business transformations, uncertainty, disruption and upheaval.
- To address COVID-19 organization-wide impacts, Prompta delivers a tailored stabilization roadmap from situation assessment and supported by relevant industry insights.

Leadership Readiness Check-In & Workshops

60-Minute *Complimentary* Leadership Readiness Check-In

- We will connect with you for a 60-minute guided discussion to better understand your specific situation.
- We will listen to what’s on your mind, talk through scope of impact and leadership readiness.
- After our discussion, we’ll collaborate with other Prompta consultants to deliver a Readiness Action Report.

Readiness Action Report:

- *Risks & Opportunities*: Topline capture of your risks and opportunities resulting from COVID-19.
- *Industry Insights*: Collection of industry strategies and trends from the perspective of their impact on your business and sector.
- *Survive, Revive & Thrive Options*: Transform the report to execution through customized workshop(s) to generate a tailored go-forward framework.

Customized Leadership Team Half-Day Workshops

Ensure your company is positioned to thrive in the new normal using our “go-forward” framework. For those companies that are ready, invest now in tailored workshops for your Leadership team.

Survive, Revive and Thrive: Roadmap to the New Normal

Building on *Readiness Action Report*, this workshop will:

- Validate activation priorities
- Establish nimble governance team to support agile decision-making
- Define resource requirements
- Align Leadership Team vision to *revive and thrive*

Leading through Chaos

- Evolve to a *new normal* leader
 - Adapt in ways that make sustained success possible
- Evolve company culture with the new way of working
- Provides practical tools you can apply immediately to revive, survive and thrive.
